

BARGE General Chemical No. 37

The GC37 is a flat deck multi-purpose barge. Special features include a steel deck for custom lashing configurations. A reliable and versatile unit, the GC37 serves the Project fleet.

At McKeil Marine we approach each cargo movement and every service with the promise to deliver innovative marine solutions.

Since 1956 we've pushed the boundaries, becoming one of the foremost marine service providers in Canada. Customizable transportation and project solutions including marine transportation, marine construction, project cargo, salvage, towing and ship assist are available throughout the Great Lakes, St. Lawrence Seaway, East Coast and the Canadian Arctic.
